Advice

If you have fever and/or cough you should stay at home regardless of your travel or contact history.

You are advised to:

- > **Reduce** social interactions
- > **Keep a distance** of 2m between you and other people
- > **Do not** shake hands or make close contact where possible

How to Prevent

Stop

shaking hands or hugging when saying hello or greeting other people

Distance

yourself at least 2 meters (6 feet) away from other people, especially those who might be unwell

Wash

your hands wet and often to avoid contamination

Cover

your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue

Avoid

touching eyes, nose, or mouth with unwashed hands

Clean

and disinfect frequently touched objects and surfaces

Symptoms

- > Fever (High Temperature)
- > A Cough
- > Shortness of Breath
- > Breathing Difficulties
